

BROWNSBORO

Master Plan

"Planning for the Future of Oldham County"

Master Planning Section Goals

Vision → Goals → Objectives

Vision

Expresses the desires of the community, in a simply stated way that can be referenced throughout the Master Plan document by its goals policies and recommendations

Goals

At the beginning, stakeholders and planners brainstorm broad goals for the future of the community. These goals encapsulate the desired outcomes of the master plan, and are expressed as general statements

Objectives

Provides details about the goals of the plan.

Community Character Goals

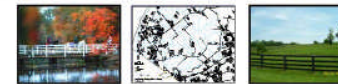

1. Strengthen the sense of community of the Brownsboro Planning Area.
2. Preserve the historic and rural identity of the Brownsboro Planning Area.
3. Maintain and enhance the built and natural environment by strengthening visual identity.

Transportation Goals

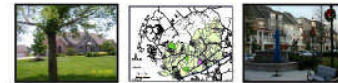

1. Create a safe transportation network for all modes of transportation including public transportation, bikes and pedestrians.
2. Develop design standards for Brownsboro that facilitate the village concept while promoting safety.
3. Create a safe, scenic and rural roadway system in an historical and natural setting.
4. Develop community based I-71 interchange alternatives that improve traffic efficiency while preserving the character of Brownsboro.

Environmental Resources, Open Space & Farmland Goals

1. Recognize and protect natural resources, farmland, and the Harrods Creek Watershed, within the Brownsboro Planning Area, when considering land use and development.
2. Preserve and enhance Brownsboro's scenic corridors and view sheds.
3. Identify and encourage the creation of connected greenways and wildlife corridors in the Brownsboro Planning Area.

Landuse Goals

1. Direct compatible mixed-use developments in designated village centers where existing or planned infrastructure is available.
2. Enhance the rural and historic characters of the Brownsboro Planning Area.
3. Encourage and create conservation/open space residential developments.
4. Perpetuate farming, equine and other uses compatible with the rural nature of the Brownsboro Planning Area.
