Anyone interested in supporting Oldham County parks by raising money for improvements or volunteering for cleanups and other efforts is invited to a meeting Tuesday in Buckner.

The parks department will discuss its plans to form a foundation of park supporters. The meeting will be at 6:30 p.m. at the John W. Black Community Center, 1551 N. Ky. 393 in Buckner.

The foundation would help implement the department's new master plan for the parks system, which envisions upgrading facilities, adding new parks and establishing a youth athletics coalition, among other things.

The plan addresses the need for a foundation that would pursue donations from corporations and other foundations.
